HONOKOHAU SMALL BOAT HARBOR NORTH KONA, ISLAND OF HAWAII

Project Location. Honokohau Small Boat Harbor is located in the North Kona District on the western side of the island of Hawaii.

Authorization. The Honokohau Small Boat Harbor project was authorized by the River and Harbor Act of 27 October 1965.

Local Sponsor. The local sponsor is the State of Hawaii Department of Land and Natural Resources, Division of Boating and Ocean Recreation. They also operate and maintain the project.

Completed Work. The project consists of an inshore harbor basin with an entrance channel that is 840 feet long, 120 feet wide, 20 feet deep at the outer end and 15 feet deep at the inner end; a main access channel 660 feet long, 120 feet wide and 15 feet deep in the outer end and 12 feet deep in the inner end; two rubble wave absorbers, one 650 feet long along the north side of the entrance channel and one 150 feet long along the south side of the channel.

Present Status. The project was completed in March 1970 at a cost of \$2,107,000 (federal: \$781,000; non-federal: \$1,326,000).
